From

F. R. BRISLEE, ESQ., I. C. S.,

President, Municipal Commission,

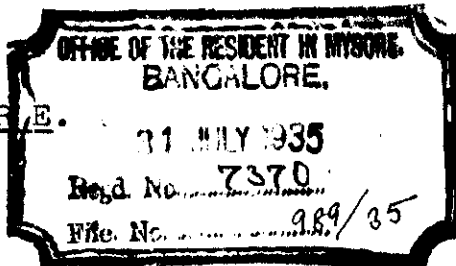

Civil and Military Station, BANGALORE.

To

The Secretary to the Hon'ble the Resident

in Mysore,

BANGALORE.

SIR,

I have the honour to forward, herewith, a copy of the Municipal Commission's resolution No.2, dated the 25th July 1935, in regard to the taking over by them of the C. I. G. Mission School, Blackpally, and to request that the Hon'ble the Resident may be pleased to accord sanction to meet the expenditure involved during the current year, viz. Rs.3,802/- (Recurring charges Rs.1,302/- and Non-recurring charges Rs.2,500/-) from the closing balance for 1935-36. The figure is based on the details given in the enclosed statement, the recurring charges having been calculated for a period of 7 months (August 1935 to February 1936).

2. The Commission decided to take over the school on the recommendation of the Inspector of Schools (vide copy of his letter dated the 28th March 1935 enclosed). The institution caters to the needs of the children of the depressed classes, particularly the children of the sweepers living in the neighbourhood. In anticipation of the Resident's sanction to meet the expenditure from the closing balance, I am arranging with the Inspector of Schools to take over the institution under Municipal Management. The building in which the school is located belongs to the Municipality.

I have the honour to be,
Sir,
Your most obedient servant,

Letter No.1279/15-31, dated the 28th March 1935, from the
Inspector of Schools, Coorg and Bangalore, Bangalore, to the
President, Municipal Commission, Civil & Military Station, Bangalore

I have the honour to state that the C. I. G. Mission is withdrawing from the management of the school on Queen's Road known as the C. I. G. Mission School, Blackpally. This is an aided school and has this year received Rs.468/- as a grant-in-aid. There are 112 children in the school and it has four teachers, all of whom are trained and experienced men. The school is held in a building which is, I understand, the property of the Municipality. The Correspondent requests that the management of the school may be taken over by the Municipal Commission. The School has been run purely as a Telugu School and is attended mainly by children of the sweeper class. I should be glad if the Municipal Commission would agree to take over this school as in the alternative, 112 children will be left with no provision for their education. In the event of the Municipal Commission agreeing to my proposal, I should be very glad if the present teachers, all of whom I can recommend, could be absorbed into Municipal Service.
